Ambledown is an Authorised Financial Services Provider, No. 10287

Guardrisk Insurance Company Limited,  
a licensed non-life Insurer and an authorised financial services provider (No.75)

THIS IS NOT A MEDICAL SCHEME AND THE COVER IS NOT THE SAME AS THAT OF A MEDICAL SCHEME. THIS POLICY IS NOT A SUBSTITUTE FOR MEDICAL SCHEME MEMBERSHIP. THE MASTER POLICY ISSUED IS THE SOURCE OF ALL BENEFITS, RIGHTS, AND OBLIGATIONS AND EXCLUSIONS. TO DETERMINE YOUR INDIVIDUAL NEEDS, WE SUGGEST THAT YOU CONTACT YOUR BROKER AND REQUEST ADVICE FROM HIM / HER.

*Where your Medical Scheme ends,  
Ambledown Gap Supreme begins.*

Medical Schemes have revolutionised health. They give ordinary people access to advanced life-saving medical procedures that are too costly for most people. Indeed, medical technology and procedures are advancing ever faster, becoming more complicated and more expensive. Medical Schemes and members simply can't keep up.

This expanding gap between medical scheme coverage and the actual fees charged by private healthcare providers has created a financial shortfall with devastating consequences. You, the Medical Scheme member, are liable to pay the outstanding amounts.

That is where Ambledown Gap Supreme steps in.

When the Specialists you need charge more than the rates your Medical Scheme pays, our products cover the shortfall – so you don't have to.

Simply put, Gap Supreme covers the gap.

## *2024 Product Range* *The health of your family is in caring hands*

Ambledown cares about more than your medical bills (although, we REALLY care about that). We love what we do. We get excited about every claim we pay because it represents a family that we have helped through a tough situation.

The Ambledown team carefully investigates and identifies shortfalls in Medical Scheme cover to help you mitigate the financial risks that come with life's health risks. That is why we have built Ambledown Gap Supreme

This Insurance Product is designed to protect you and your immediate family from the shortfall (Gap) resulting from any medical practitioner charging above the Medical Aid Tariff for in-hospital surgical procedures and for certain out of hospital procedures.

*Ambledown Gap Supreme has the perfect combination  
of benefits for your individual needs.*

### Gap Cover

Gap Cover provides for charges levied by the Medical Practitioners above the Medical Scheme Tariff for associated services in-hospital and/or the necessity for chemotherapy or radiotherapy for the treatment of Cancer on an out-patient basis, and/or the necessity for kidney dialysis on an out-patient basis (as well as other defined out-patient procedures).

**Gap Cover 100** is limited to **6 times** the Medical Scheme tariff less the higher of the Medical Scheme Tariff or the Medical Scheme Option Reimbursement Rate.

### Just a reminder

Gap Cover 100 does not provide for charges above the tariff for ward fees, theatre fees, medicines and materials (eg. prosthesis). Cover is for the services provided by Specialists, General Practitioners and Medical Professionals such as Physiotherapists during the period of hospitalisation.

Major Medical Co-payment/Deductible Cover provides for charges in the form of a co-payment or deductible applied for in-hospital admissions and charges in the form of a co-payment or deductible for major medical out-patient treatment limited to specialised diagnostic radiology, namely MRI, CT and PET Scans.

A Co-payment is a procedure specific upfront payment charged by the Medical Scheme payable to the Medical Services Provider prior to undergoing the procedure. The co-payment or deductible amounts applied are as per the rules of the patient's registered Medical Scheme.

#### Penalty Co-Payment

The benefit includes a once-off payment per family, per annum for the penalty imposed by a Medical Scheme for the use of a non-network hospital. The benefit is limited to R15,000.

Sub-limitation Cover covers the charges above any sub-limitation imposed by the Medical Scheme for in-hospital admissions. #### More about Sub-limits

Sub-limits are limits set by the Medical Scheme on Medical Scheme benefits. In certain instances these limits can be set per procedure type in an effort to manage exposure.

*Heal with groundbreaking oncology treatments  
that prioritize your recovery*

### Cancer Cover

Cancer Cover provides for charges related to Cancer treatment in a private institution subject to the Medical Scheme rules in the form of a co-payment or deductible applied after the sub-limitation imposed by the Medical Scheme for Cancer treatment and;

## Waiting periods

- Ambledown will apply the 3 month general waiting period condition to all applications for new membership.
- The only time we would not apply the 3 month general waiting period is:
  - Claims qualifying as an accident in terms of the policy definition, or
  - If the client changes gap cover policies with similar benefits offered by different product providers with the same insurer (GICL).
- A 12 month pre-existing clause applies. The clause excludes claims for any treatment received for a condition for which treatment or advice has been received in the 12 months prior to the inception of the policy. The intention is to exclude any benefit where treatment or advice was received 12 months prior to inception. Once membership is greater than 12 months, then benefits are payable regardless of the date in which the illness manifested itself or the injury occurred.
- Benefit upgrades: A 3 month general waiting period and 12 month pre-existing clause will apply to the additional benefits obtained when a member upgrades cover. The existing benefits enjoyed prior to the upgrade will not be subjected to the waiting periods mentioned.
